Re: Service List for Docket No. 97-00309

Dear Mr. Waddell:

As you are aware, the undersigned represents KMC Telecom in the above referenced proceeding, together with co-counsel Don Baltimore. Despite being an active party in this matter, it appears that KMC and its attorneys may not be receiving service of all pleadings and correspondence.

Since I and co-counsel will continue to represent KMC Telecom in this proceeding, I would like to respectfully request that the persons listed below be included on the Commission's service list. By copy of this letter, I am asking that all parties do the same, and to individually serve each of the attorneys from Kelley Drye & Warren LLP who may also be on the service list as we often represent multiple clients in the same matter. The undersigned has executed the BellSouth protective order, and is therefore eligible to receive confidential versions of all pleadings and discovery.
